## PURPOSE STATEMENT

Tampa Port Ministries, Inc. (TPM) is a non-profit, multi-denominational organization that "seeks to provide a Christian environment for meeting the physical, social, and spiritual needs of seafarers and others who use the facilities of the Port of Tampa, regardless of their race, creed, color, or religious background."

## MINISTRY OVERVIEW

International seafarers who call at the Port of Tampa are a varied group with some common needs. Whether a seafarer is from China, Poland, The Philippines or any other country around the world, when he arrives in Tampa, he knows he has a friend at the Seafarers Center operated by the local volunteers at Tampa Port Ministries. The seafarer's needs include transportation away from the ship, telephones to call home, computers to contact friends, recreation equipment to relieve his stress and the opportunity to be in a safe friendly environment for a short time. Here he may also find the opportunity to worship and receive spiritual materials as he may need. All of these are found at the Seafarers Center as dedicated volunteers continue to meet the needs of these strangers in our land. All services provided by the ministry are provided without cost to the seafarers wherever possible.
